

Florida Water StarSM Residential, Irrigation Affidavit

The Irrigation Affidavit (Affidavit) is required for determining the Florida Water StarSM Silver or Gold rating of new or existing single-family residential homes with irrigation systems. The Affidavit shall be attested to by the project's contracted irrigation company and is required to be submitted by a qualified Florida Water StarSM inspector with Florida Water StarSM certification submissions.

The Affidavit may be submitted for one single-family home or for multiple residential homes in one subdivision. If a builder is constructing multiple homes within one development, one Affidavit is required from each irrigation contractor responsible for the irrigation installation of all homes listed on the Affidavit. **If multiple addresses are covered by the Affidavit, list all the addresses on attached sheets as necessary.** Refer to the Florida Water StarSM Technical Manual for additional information.

General Information
