## Online Exams

Florida Water Star Accredited  
Professional Exams are  
available online immediately  
following class completion.

- Attend training in Homestead, led by Deirdre Irwin and nationally recognized instructor Kurt Thompson.
- Earn Florida Water Star Accredited Irrigation Professional or Florida Water Star Accredited Landscape Professional designation.
- Professionals who pass the AP test can market their services to building contractors wishing to participate in the Florida Water Star programs and to learn about creating sustainable landscapes in South Florida.

Training sponsored by the South Florida Water Management District. Exams provided by the Florida Nursery, Growers and Landscape Association (FNGLA).

*“Florida Water Star raises the bar with certification of landscape and irrigation professionals. I highly recommend this comprehensive course for all designers and contractors.”*

— Judith Carney, President,  
Clear Water Products and Services, Inc.

*“The New Florida Water Star AP Certification is a must have designation to be considered a ‘green’ professional.”*

— Aaron Smith, President,  
Insight Irrigation, LLC

## Continuing Education Credit

- Board of Landscape Architecture — 7.25 credits CE/course #0009685
- FNGLA-certified professionals — 6 CEU hours
- Irrigation Association — 4 CEU hours
